

Create epics and stories

The screenshot shows the Jira Software interface for a project named 'Software_engineering_Lab_2_'. The 'Timeline' view is selected, displaying a list of stories. The interface includes a top navigation bar with tabs for Summary, Timeline, Board, Backlog, Calendar, List, Forms, and More. Below the navigation bar is a search and filter section. The main content area shows a table of stories with columns for checkboxes, expand/collapse icons, story keys, titles, status bars, assignees, and a 'y' column. The stories listed are:

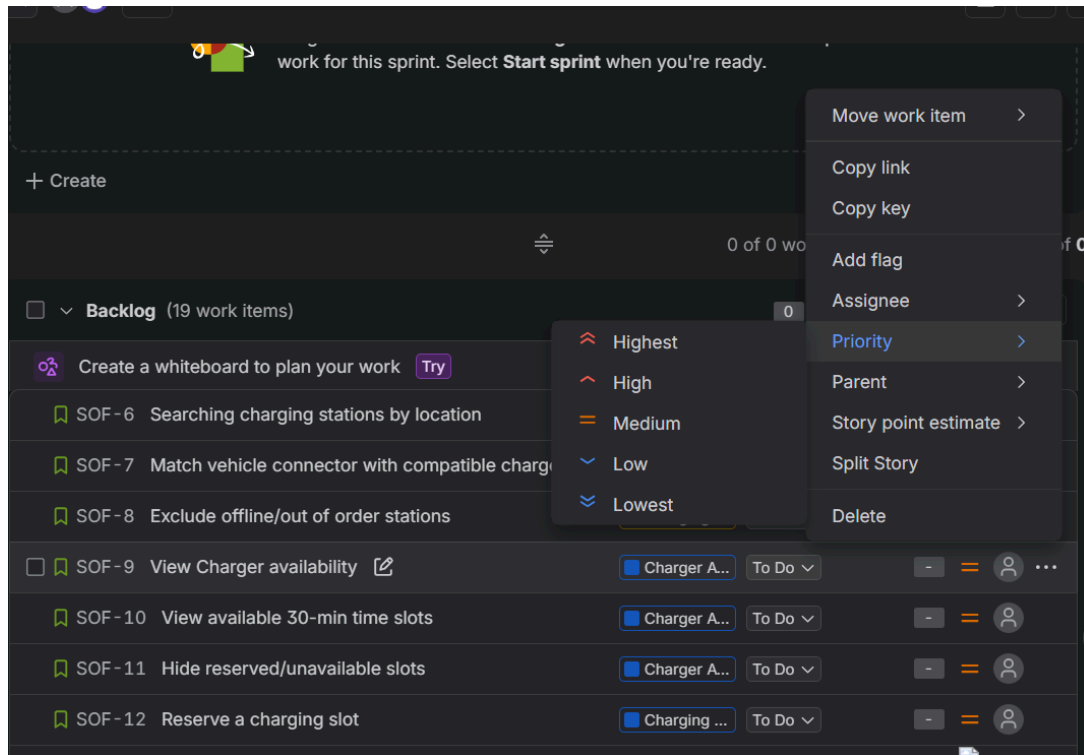

☐	>	Work	Status	Assignee	y
